Greenersol Landscape Limited is a premium Kenyan landscaping company based at Evergreen Center, Kiambu Road.

Our team brings with it a wealth of experience that extends over a period of 15 years in the industry. Being among the pioneers of landscaping in Kenya, we have played a role in landscape transformations across the nation. Our commitment to construct world class gardens and outdoor spaces assures all our clients quality service.

Custom-tailored services are offered by our well trained team, comprising of landscape architects, project managing specialists, supervisors, and skilled artisans, to suit the varying requirement from private clients, housing schemes to hotels and industrial companies, with optimum outcomes.

Greenersol’s team commitment to provide cutting edge design and expert installation of quality gardens assures clients exceptional satisfaction.

Kimutai Mengich

Is an accomplished Landscape Architect graduate from JKUAT with top honors in Bsc. Landscape architecture (2008-2012). Currently pursuing his masters degree in Msc. Construction Eng. & Management. He’s had a wealth of experience over the last four years when he started off as an apprentice in his first assignment in 2010 during his third year of study. Kimutai leads the design team and project oversight.

Mike Njau

Is an accomplished golf courses superintendent having worked actively for two International 18-hole golf courses. He has a decade long wealth of experience in landscape build and maintenance. Njau leads the field team in site implementation for all our projects. He’s also part of the design team.

Fred Aluvisia

Is a former estate manager at Windsor’s gated residential estate (Kigwa ridge). Aluvisia has a wealth of over 12 years experience in implementation and maintenance of landscapes. He leads implementation of projects and manages the company plants nursery.

Aloyse Maigo

He is a Landscape Architect graduate from JKUAT with top honors in Bsc. Landscape Architecture (2008-2012). He has built 4 years field experience in both design and site implementation in various landscape firms and varying scale of works. He forms part of the design team and also on site implementation management.

Team roles

Site analysis, Concepts and themes formulation, Design, Drafting, Rendering, 3D impressions, Design implementation, Site management.
